

**The Root Cellar opened for business in 1977,
when only a road was coming from the south of the Lake
Gogebic and ended just past the Root Cellar Resort!
It all started with a bar and just three sandwiches!**

**Our location is in the 1.5 million acres of the Ottawa National Forest, which
provides first-class snowmobiling, hunting, fishing and hiking experiences.
Sightseers will enjoy lakes and many beautiful waterfalls.**

Michigan's UP- a peaceful paradise!

Thank you for your business.
